**NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED**  
**WWW.NECCC.ORG**

Dear NECCC Club,

Because many photographers in the New England area look for camera clubs in their area on the NECCC website, it is important that your club has a presence on the Internet. Visit [www.neccc.org](http://www.neccc.org) and click on Member Clubs to see if your club's information is up to date or not in the list at all. Ten NECCC clubs out of 86 member clubs do not have a link from our website. We would like to have a website address (preferably), or an e-mail address as links from each club's listing. If you have a website and are on the list below, please email me the URL. If you don't have a website, I can have a link pop up an email form for inquiries to be sent to an email address of your choosing. In this case, please send me an email address (if it's not yours, please make sure the recipient has given permission) that a visitor can click on to get more information about your club. Having a link to your club helps draw new members. Thank you.
