## **NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED**

### NEW ENGLAND CAMERA CLUB COUNCIL MEMORIAL FUND

The Memorial Fund was proposed many years ago, in 1969. It was approved by the Executive Committee and a sum of money was transferred from Council funds to start it off. The income from this fund was to be used to provide scholarship grants to needy and worthy students. Please note the companion sheet in this packet which concerns scholarship awards.

The Memorial Committee is pleased to report that the fund has grown so that, from the income derived, we are now able to give three substantial grants per year. However, as our scholarship program has become known, we are receiving many more qualified applications. Therefore, we do not have the funds to provide as many awards as we would like.

We are appealing to all our clubs to make a yearly contribution to this Memorial Fund. Certainly it is a very worthy cause in the name of your hobby, and mine—photography.

The terrific cost of a college education makes almost every applicant a needy one. Certainly we will welcome contributions from clubs or from individuals. Each donation is tax deductible, will be acknowledged to all concerned, and names will be listed in the NECCC Bulletin. Any donation will be appreciated.
