## **NECCC Winter 2010 Electronic Interclub Competition**

The Winter competition was held on Monday, February 8, 2010, hosted by the Westfield Camera Club in Westfield, MA. The competition was directed by Barbara Krawczyk, assisted by Dick Simmons (electronic score keeping), Sandy Gogal (digital projection), and Judy Bolio (verbal scoring). Thirty-nine clubs participated in the Pictorial section (15 from Class A and 24 from Class B) and thirty-five clubs participated in the Nature section (12 from Class A and 23 from Class B).

The judges for the competition were Norman Halpern, Jim Theres, and Norman Wagner. Norman Halpern, a member of PSA for 40 years, is the former president of the West Springfield Camera Club (no longer active). He was recently honored with an image in PSA's 75<sup>th</sup> Anniversary photo book. He does not belong to any NECCC-affiliated club, but is an active slide show presenter and print maker who displays his work in local galleries. Jim Theres has been a member of the Springfield Photographic Society (SPS) for at least 30 years and an active photographer for 60 years. He competes only in film and 35mm slides. He assists the vice president of prints for the SPS. Norman Wagner, a member of the Westfield Camera Club and experienced judge, has been a member for over 15 years. His primary focus recently has been in print making. (He was selected as a judge because he has not competed in the digital venue in the 2009/2010 season so he had not seen any of the images entered by the Westfield Camera Club.) He has been a consistent top award winner in the Westfield Camera Club.

Within the next week or so the winning and HM photos in both sections will be posted on the NECCC web site ([www.NECCC.org](http://www.NECCC.org)). You might want to share that information with your club members who ask what types of photographs win.

## **Problems**

First, I (Bill) want to thank those clubs that submitted their entries early minimizing the amount of work remaining when I was in Florida. I know a few of you had meeting dates that prevented early submission, but receiving most of the entries early was really appreciated.

This time we had a number of problems with clubs sending in two entries by the same maker, but from different clubs. Reps, please check with your makers and be sure they are not entering from another club. We have been contacting clubs allowing them to replace offending entries, but this significantly increases the amount of work involved in setting up the competition. If this problem continues we may have to take a hard line and simply disqualify BOTH entries when two entries are received by the same person in a given category of competition. Reps, it is up to you to police this with your members.

This time two entries were entered that had been entered before and were disqualified. However, one rep objected pointing out that the new entry was different, only with the same title. Again, reps remind your members to be sure to use unique titles on all their entries. Also, if you are entering photos by members who previously entered from another club, be sure you know that the entry has not been entered previously.

## **Next Competition**
