Join accomplished photographer and guide **Ron Rosenstock** through Western Ireland. Photography is a way of looking that teaches us a way of seeing. It is an act of exploration, discovery, and revelation of visual events large and small that are going on around us all the time. Traveling to a new and different land awakens our eyes to the exciting possibilities of making photographic images. As a teacher Kevin is there to bring each of you closer to your own individual photographic goals.

Your itinerary is set in the unspoiled villages, rugged ancient abbeys, broad peat lowlands, and the dramatic coastline of Western Ireland. The soft pastel shades of the mountains and clouds appeal to the artist and photographer. These natural landscapes, along with the people render this Isle a place of inspirational beauty. We will visit places you could never locate on your own — tiny villages, hidden beaches, castles, and ancient abbeys. Even if you have traveled to this area in the past, your guides will seek out new places to visit and photograph. There are spectacular monastic and megalithic ruins to seek out in your daily adventures.

Your home away from home, **Hillcrest House**, was renovated for the sole purpose of accommodating photography groups. Its homelike quality adds to the relaxed atmosphere of the trip. You will enjoy traditional Irish breakfasts and dinners during your stay. Lunch will be at various restaurants and pubs, or we can stop in town and have a picnic lunch wrapped for our daily excursions in the field. Transportation is provided in a roomy tour van, which is large enough for both the group and our equipment.

#### **Highlights of your trip:**

- 10 days with accomplished photographer and tour leader Ron Rosenstock.
- Tour limited to 11 passengers.
- Experience Western Ireland while spending the majority of our evenings in one home.
- Relaxed & flexible itinerary to make the most of the opportunities that come our way.

#### ***Participant praise:***

*"It is a photographers paradise-so much to shoot and in the most incredible light. But what makes Ron's trip special is RON. Ron takes care of his people. Even the most timid, first time traveler is included, drawn out, mentored and educated. I truly look forward to exploring more of Ireland and possibly elsewhere under such positive circumstances."*

*"Ron, thank you for sharing your love for Ireland and for the Irish people. Thank you especially for helping me see the beauty of clouds, of reflections of reeds in water, of silvery halos illuminating foxgloves in the forest, and of sunshine-patterned abbey windows on wet gravestones. Thanks to you, I leave Ireland with a new appreciation for the wonder and beauty of the world. "*
