

NECCC Winter 2025-26 Digital Interclub Competition

The Winter 2025-26 Digital Interclub competition, hosted by the Greater Lynn Photographic Association, was held on Saturday, January 31, 2026. A total of thirty-six clubs competed in all with 15 clubs in Class A, 9 clubs in Class B and 12 clubs that are mixed -competing in both Class A and Class B. In Color, we had 26 from Class A and 10 from Class B, in Nature we had 19 from Class A and 17 from Class B, and in Monochrome we had 16 in Class A and 19 in Class B (one club has elected not to compete in Mono this year.) **A total of 427 images** were judged in about three hours. We did tell the judges we would be asking for a commentary on the low scoring images (8 or below) but the lowest scoring image for this judging was a nine so we have no commentary to send back to the clubs this time. The judging was recorded and will be posted by hopefully within one week for the clubs to view if they would like.

Our judges were **Dennis Goulet**, HonNEC of the Photographic Society of Rhode Island, **Paul Smith**, MNEC of Gateway CC-MA. and **Shiv Verma**, FPSA, HonNEC President of the NECCC Council. All are very knowledgeable on all subjects, shoot Monochrome and Nature and have judged throughout New England in interclub, and regular club competitions. All three were very qualified to judge each section presented.

This report contains the listing of the clubs total scores (top scoring clubs at the top) and a list of the winning images for each section.

Spring Competition: Our last competition of the 2025-2026 season, hosted by the Greater Lynn Photographic Association, is scheduled for Saturday April 11, 2026. The competition will be held in person at the Greater Lynn Photographic Association, 564 Boston Street, Lynn, MA. (Directions to the clubs meeting place can be found at: <https://www.greaterlynnphoto.org/directions.php>)

The closing date for receipt of entries is March 28, 2026.
